Aprašymas

With crisp text and vivid colours, the HL-L9310CDW is a professional colour printer designed with businesses in mind.

Maximise your office productivity with advanced paper handling, ultra high yield toners, delivering high quality outputs that your business requires.

Optional Ultra High Yield 9,000 page Black, Cyan, Magenta & Yellow toners for a very low CPP.

Tighter Security

The advanced security capabilities of the HL-L9310CDW, ensures you are always in full control of your print infrastructure. You can improve data

protection by restricting machine access with network user authentication, and secure function lock, which allows you to password-protect certain device functions. Plus, the NFC reader can be used to integrate with secure printing, enabling users to release their print job from any chosen device by swiping an ID card or entering a PIN.

Eco-friendly

Brother's latest colour laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star. As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.
