- **Scratch Resistant:** 7H surface hardness ensures durability and a consistent touch experience, essential for education and public environments.
- **Adjustable Angle:** A sliding-tilt stand allows easy adjustment for comfortable viewing and touch usage, with tilt angles from 15 to 70 degrees. It can also lay flat for use as a giant tablet.
- **Ultra-Wide Viewing Angles:** 178° ultra-wide viewing angles minimize color shift on both horizontal and vertical planes, ensuring quality visuals from almost any direction.
- **Extensive Connectivity:** HDMI, DisplayPort, and D-Sub VGA ports allow for Full HD 1080p content transmission, ensuring compatibility with various devices.
- **Built-in Speakers:** Equipped with stereo speakers for clear audio, eliminating the need for external speakers.

**Hannspree** is known for delivering reliable and innovative display solutions for both commercial and consumer use. The HT248PPB exemplifies their commitment to quality and functionality.

Order today from ++SHOP++ as we offer the best...

With 1920x1080 Full HD resolution and Projective Capacitive 10 point touch technology the HANNSpree HT248PPB delivers seamless and accurate touch response. Featuring Ultra-Wide Viewing Angle LED-back-light LCD screen technology, it offers exceptional colour performance and wide viewing angles, making it an excellent choice for a vast array of demanding interactive applications. Perfect for both commercial and consumer applications, the HT248PPB is a one-stop solution for your multi-touch monitor needs: an ideal screen for Interactive Digital Signage, In-store Retail, Gaming/amusement, Point-of-Sale terminals (POS), Interactive Kiosks, Presentations purposes and many more applications.

### **SCRATCH RESISTANT - MULTI-TOUCH SCREEN WITH 7H SURFACE HARDNESS**

7H scratch resistant surface hardness ensures durability, as well as a consistent high quality touch experience. Scratch resistance is essential for touch solutions used for education and public environment. This is achieved thanks to a glass overlay covering the screen. This means that the panel surface can withstand impact from objects and scratches, making it perfect for public spaces and educational institutions. The HT248PPB (7H hardness rating) is designed specifically for schools, colleges, universities but also Retail and Industrial applications offering protection from impacts and dirt for a long life solution.

## **SLIDE EASILY INTO THE BEST ANGLE FOR TOUCH CONTROL**

The HANNspree HT248PPB has been specially developed to provide you with the best angle for both viewing and interaction. The sliding-tilt stand allows you to easily and smoothly adjust the screen and find your perfect perspective for comfortable viewing as well as convenient touch usage. The HT248PPB has an Smart adjustable stand with 15 ~ 70 degree tilt angles to give you an ideal viewing position. Alternatively the hinged stand allows the monitor to lay down completely flat on the desk for use as a giant tablet. Thanks to ergonomic design, you can minimise bad posture or wrist strain and make the most of the HT248PPB's great picture quality and touch interaction. You can also choose to mount your monitor on the wall, so you can enjoy even greater viewing flexibility and allowing you to place it easily in tight spaces.

## **VIVID IMAGES, LIFE LIKE VISUALS THE LATEST TECHNOLOGY WITH 178° ULTRA-WIDE VIEW ANGLES**

The Touch monitor HT248PPB features a 16:9 aspect ratio LED-backlit panel with a 178° ultra-wide view angle that minimises colour shift on both horizontal and vertical planes to ensure quality visuals from almost any direction. It delivers improved colour accuracy plus increased energy efficiency. The HT248PPB uses a 178°(H) / 178°(V) ultra-wide viewing angle Full HD panel that eliminates colour shift from almost any direction and in nearly every angle.

## **EXTENSIVE CONNECTIVITY**

The HANNspree HT248PPB features a host of connectivity options that include HDMI, Display Port and D-Sub VGA for Full HD 1080p content transmission. HANNspree HT248PPB Touch Monitor with its wide range of inputs ensures that everything from gaming to chatting with friends online is easily achieved. The various inputs ensure that your monitor is more compatible and ready to handle all of your content. Enabling touch is easy! Simply connect the USB cable from your PC to the monitor's USB upstream port, and connect one of the video inputs to project images onscreen.

## **SPEAKERS AND HEADPHONES**

The HT248PPB is equipped with stereo speakers, for clear audio that sounds like it's coming from a high end stereo system. The speakers deliver a true stereo effect for an enhanced listening experience, especially when displaying multimedia content during lessons, therefore removing the need for external speakers.
