The ASUS ZenScreen MB16ACV is the ultimate solution for professionals needing an extended workspace while traveling. Designed for life on the road, this portable 15.6-inch monitor combines premium Full HD visuals with unparalleled convenience, featuring a sleek profile and featherlight construction (only 0.83 kg).

Experience brilliant colors and wide 178° viewing angles thanks to the high-quality IPS panel. Whether you are presenting spreadsheets or reviewing documents, the ZenScreen MB16ACV ensures superb clarity and consistency.

Key Features for Seamless Portability and Hygiene:

- **Ultra-Portable Design:** At just 10.5 mm thin and weighing 0.83 kg, the MB16ACV slips effortlessly into any travel bag, making true mobile productivity a reality.
- **USB-C Hybrid Signal Connectivity:** A single, innovative USB-C cable handles both power and video transmission. This hybrid solution also supports USB Type-A connections via a driver, ensuring wide compatibility with various laptops and devices.
- **Integrated Kickstand:** The convenient fold-out kickstand allows for instant setup on any flat surface, providing easy tilt adjustments for optimal viewing and ergonomic comfort.
- **Automatic Orientation:** Using ASUS DisplayWidget software, the monitor automatically senses its orientation, seamlessly switching between landscape mode (great for presentations) and portrait mode (ideal for reading documents or websites).
- **Advanced Antibacterial Protection:** A proprietary ionic silver treatment is embedded into the bezels and rear of the monitor. This technology is proven to inhibit up to 99.9% of bacterial growth, maintaining a cleaner, more hygienic working surface—especially valuable for remote workers.

Visual Comfort and Performance:

- Full HD (1920 x 1080) resolution for crisp, detailed imagery.
- IPS panel technology for superior color reproduction and 178° wide viewing angles.
- 5 ms response time and 60Hz refresh rate.
- Features Flicker Free and Blue Light Filter technologies to reduce eye strain during long work sessions.

Order today from ++SHOP++ as we offer the best shipping options and competitive pricing on ASUS portable monitors.

Sleek and portable design

ASUS ZenScreen™ MB16ACV is ideal for life on the road. This sleek portable display weighs just 0.83kg and has an 10.5 mm slim profile, so it fits easily in any travel bag and is ready for productivity, anytime and anywhere.

One cable is all you need

ZenScreen MB16ACV uses an innovative USB-C hybrid-signal connection that handles both power and video signals. Its reversible, any-way-up USB-C design allows for quick connections to compatible devices, and there's also a driver¹ that enables support for USB Type-A connectors.

Work in comfort

A fold-out kickstand props the monitor up on any flat surface, enabling easy tilt adjustments to ensure comfortable viewing angles and working positions.

Work efficiently in portrait and landscape modes

With ASUS DisplayWidget software, ZenScreen MB16ACV can automatically sense its orientation and switch the display between landscape and portrait modes while connected to your laptop. Landscape mode is ideal for presentations and spreadsheets, while Portrait mode gives you a perfect view of items such as documents, books or websites.

Embedded antibacterial treatment to keep you safe

A proprietary antibacterial ionic silver treatment embedded in the bezels and rear of ZenScreen MB16ACV offers long-lasting protection, inhibiting up to 99.9% bacterial growth and adhesion to keep key areas of the monitor clean and hygienic. It potentially reduces the spread of harmful bacteria so you can feel safe while working on the go.

How Ionic Silver works

Positively charged silver (Ag+) ions bind with the cell walls of negatively charged microbes and bacteria, disrupting their internal functions and killing them off.

Extend your workspace

The FHD (1920 x 1080) IPS panel delivers stunning visuals and 178° viewing angles, ensuring you get superb color and contrast even when viewing the screen from off-center positions.
