### Uperfect Ubegin B5 15.6" 1920x1080 60Hz portable monitor

The Uperfect gaming monitor is the perfect solution for gamers and professionals looking for a portable, high-quality display. This innovative monitor allows easy connection of both computers and phones thanks to the included USB-C cable. The Ubegin B5 is also equipped with an OTG (micro USB) port, allowing you to connect a mouse or keyboard for increased functionality and convenience.

### Exceptional display quality

The FHD display provides incredibly smooth, realistic images - whether you're gaming, watching video or editing photos. The 1920x1080 resolution ensures rich detail, while support for 16.7 million (8-bit) colors and 100% sRGB allows you to enjoy accurate color reproduction.

## Wide compatibility

The monitor is compatible with USB-C devices, allowing you to extend your phone's screen for work or gaming. The monitor also works with gaming consoles such as PS4, Xbox One, and Switch, making it the perfect travel companion. With the B5's screen duplication feature, it allows you to conveniently present content during meetings. In turn, the OTG (micro USB) port allows you to connect a mouse or keyboard.

## Convenience of use

The Uperfect monitor has a built-in VESA hole (75x75@M4), which allows it to be mounted on a wall or desk. In addition, the B5 also features a dedicated hole for a stylus. The monitor also offers dual 2-watt stereo speakers that offer deep and powerful sound. For an even better sound experience, an additional speaker can be connected via a 3.5mm audio input.

## Included

- portable monitor
- HDMI to HDMI cable
- USB-C to USB-C cable
- USB-A to USB-C cable
- power adapter
- case
- user manual
