those around you, this keyboard and mouse set incorporates advanced SilentTouch technology. This innovation successfully removes over 90% of disruptive typing and clicking sounds while preserving the familiar, satisfying feel you expect from Logitech peripherals.

Seamless Wireless Connectivity and Durable Design

Forget about frustrating drop-outs and connection lag. The MK295 utilizes a strong, reliable 2.4 GHz wireless connection, offering an impressive range of up to 10 meters (33 feet). Connection is made simple via a tiny USB receiver, which is so discreet it can remain plugged into your computer permanently, freeing up valuable desk space.

Built for resilience and comfort, the MK295 ensures long-lasting performance:

- **SilentTouch Technology:** Reduces keyboard and mouse noise by more than 90%, promoting better focus and productivity.
- **Reliable Wireless:** Stable 2.4 GHz connectivity with a 10-meter operational range, minimizing lag and disruptions.
- **Durable Construction:** Features a spill-proof design and sturdy tilt legs with adjustable height settings for enhanced comfort.
- **Full Functionality:** Includes a full Numeric Keypad and dedicated hot keys for easy access to e-mail, volume control, mute, and play/pause functions.
- **Pointing Device:** Wireless 3-button mouse included in a matching graphite finish.
- **Layout:** US International localization and layout (Graphite color).

LOGITECH is a globally recognized leader in computer peripherals and software, known for driving innovation in performance and design. Their commitment to quality ensures reliable and ergonomic solutions for home, office, and gaming environments.
