Providing excellent picture performance, the ProLite XUB2595WSU is a great choice for office, graphics and CAD applications. The monitor features an IPS Technology LED panel offering 1920 x 1200 native resolution with accurate colour reproduction and wide viewing angles. The blue light reducer function and flicker-free LED's help to significantly limit eye fatigue typically caused by working with a computer screen. The 150mm height adjustable stand ensures you can easily adjust the screen position to your preferences. It is a great choice for both multi-monitor Digital Signage and office applications.
