The AOC Basic-line 24B3CF2 is engineered for modern hybrid workplaces and home offices, offering a powerful blend of high-quality visuals and streamlined connectivity. This 23.8-inch Full HD (1920x1080) monitor features a premium IPS panel, ensuring outstanding color fidelity and wide 178/178-degree viewing angles. Whether you are conducting video calls, reviewing detailed documents, or enjoying multimedia, the 24B3CF2 delivers crisp, vibrant images.

Seamless Connectivity and Power Delivery

Maximize your productivity and minimize desktop clutter using the integrated USB-C connectivity. The monitor acts as a powerful docking solution, requiring only a single USB-C cable to handle all essential functions simultaneously:

- **65W Power Delivery (PD):** Charge your compatible laptop, smartphone, or tablet directly from the monitor, eliminating the need for a separate charger.
- **Video Transmission:** Transfer Full HD video signal (via DisplayPort Alt Mode).
- **Data Transfer:** Utilize the built-in USB 3.2 Gen 1 hub for connecting peripherals like keyboards, mice, and external drives.
- **Additional Input:** Includes an HDMI 1.4 port for universal compatibility with other devices.

Enhanced Visual Performance and Smoothness

Beyond standard office monitors, the AOC 24B3CF2 offers performance features designed to reduce fatigue and enhance viewing pleasure:

- **100 Hz Refresh Rate:** Provides noticeably smoother motion and less blurring when scrolling through documents or enjoying casual media content compared to traditional 60 Hz displays.
- **Adaptive Sync Technology:** Synchronizes the screen's refresh rate with your graphics card (AMD Adaptive-Sync supported) to eliminate screen tearing and stuttering during playback.
- **1ms MPRT Response Time:** Fast pixel response reduces ghosting for clear, fluid motion.
- **Built-in Audio:** Integrated speakers provide convenient sound without requiring external desktop clutter.

Ergonomics and Eye Comfort

Designed for all-day use, the AOC 24B3CF2 prioritizes user well-being:

- **Height-Adjustable Stand (H/A):** Easily find the perfect ergonomic viewing height and angle to prevent neck strain.
- **Flicker-Free Technology:** Reduces screen flickering, a common cause of eye fatigue.
- **Low Blue Light Mode:** Software-based filtering reduces harmful short-wavelength blue light emission without compromising color accuracy excessively.
- **Anti-Glare Screen:** A 3H hard coating minimizes reflections under bright ambient lighting conditions.

Compact brilliance with USB-C connectivity and Height-Adjustable Stands for enhanced productivity

Introducing the newest addition to the B3 line– a brilliant 23,8-inch display featuring an IPS panel for breathtaking visuals and true-to-life colors. If you're looking for a compact sized monitor, the 24B3CF2 is the ideal choice. Also, it offers USB-C which means it is possible to catch three birds with one stone. By one single cable, video signal, power delivery and data transfer are available which will improve your productivity. This monitor boasts height-adjustable stands, seamlessly integrating ergonomic features into your workspace. With the ability to customize the height according to your preferences, you can achieve the perfect viewing angle, reducing strain on your neck and eyes during extended work or studying sessions. Whether you're working or studying, enjoy a more comfortable and enjoyable viewing experience with the compact screen size of the 24B3CF2.

The AOC Basic-line 24B3CF2 monitor is designed to meet the needs of both professionals and leisure users who demand high-quality visuals and versatile connectivity. Featuring a 24-inch Full HD display with WLED backlight, it offers vivid image clarity and a wide color gamut for exceptional color accuracy. The dynamic contrast ratio and HDR capability ensure deep blacks and bright whites, enhancing the overall viewing experience.

Connectivity is a breeze with HDMI and USB-C interfaces, complemented by a built-in USB hub that supports power delivery up to 65 W, allowing you to connect and charge your devices seamlessly.
