bezel-less three-sided design, this Full HD (1920 x 1080) display delivers crisp visuals, vivid colors, and exceptional picture quality, complemented by 300-nit brightness and ultra-wide 178°/178° viewing angles.

Seamless Connectivity and One-Cable Docking Solution

Boost your productivity and simplify your desk setup with the comprehensive connectivity features of the 24P3CW. The powerful USB-C connection supports Power Delivery up to 65W, allowing you to charge your laptop, transfer data, and transmit video (via DP-alt mode) using a single cable. Furthermore, the integrated USB 3.2 Gen 1 Hub and essential RJ-45 Ethernet port ensure reliable wired network access and easy peripheral management, effectively turning your monitor into a powerful docking station. The inclusion of DP-out functionality supports monitor daisy-chaining for multi-display setups.

Professional Collaboration Ready

- **Integrated 5MP Webcam:** Designed for professional remote collaboration, the built-in 5-megapixel webcam ensures clear video quality during meetings and supports Windows Hello™ facial recognition for enhanced security and quick login.
- **High-Quality Audio:** Dual built-in 5 W + 5 W speakers provide clear, robust sound for video conferencing and media consumption, eliminating the need for external desktop speakers.
- **Ergonomic Design:** Achieve perfect viewing comfort with the fully adjustable stand, offering height, pivot (rotation), swivel, and tilt adjustments, along with VESA mounting capability.
- **Fast and Fluid Display:** Enjoy smooth visuals with a 4 ms Grey-to-Grey response time and VESA Adaptive-Sync technology.

AOC INTERNATIONAL is a leading global brand specializing in high-performance displays and computing peripherals, known for integrating advanced technology and ergonomic design into their Pro-Line series, tailored for professional use.
