0.2ms Moving Picture Response Time (MPRT), this Full HD display ensures incredibly smooth, tear-free, and blur-free action, allowing you to react instantly in critical situations.

Superb Speed and Image Quality

Equipped with high-quality Fast IPS panel technology, the G2770HSU-B6 delivers outstanding color reproduction and wide 178° viewing angles, ensuring image superb quality regardless of where you sit. The combination of high refresh rate and minimal response time virtually eliminates ghosting and smearing, making fast-paced action games look crisp and defined.

Features for Competitive Play:

- **180Hz Refresh Rate & 0.2ms MPRT:** Provides fluid motion clarity and extreme responsiveness required for professional gaming.
- **Adaptive Sync Technology:** Synchronizes the GPU and monitor refresh rates, eliminating screen tearing and stuttering during intensive gameplay.
- **Full HD Resolution (1920x1080):** Delivers sharp details suitable for competitive gaming on a 27-inch screen.
- **Black Tuner Functionality:** Allows users to adjust the brightness and dark shades, enhancing visibility in dimly lit shadowed areas without overexposing the brighter parts of the screen.
- **Built-in USB Hub:** Features a built-in USB 3.2 Gen 1 hub for convenient connectivity of peripherals.

Enhanced Visibility and Connectivity

The integrated Black Tuner feature is crucial for gaining an advantage in games that feature dark environments, ensuring that enemies hiding in shadows are clearly visible. Additionally, the monitor includes built-in speakers for immediate audio functionality and VESA mounting compatibility for flexible setup options.

IYAMA is a globally recognized manufacturer specializing in high-performance monitors, renowned for their dedication to speed, quality, and durability, particularly within the competitive gaming market.
