A fast 100Hz refresh rate provides a smooth loading in various programs. It helps to allow less screen stuttering and motion blur, elevating work productivity.

LG Switch app

Switch swiftly

LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Ergonomic design

Easy and comfy

The 27BA850 supports tilt, swivel, pivot, and height adjustment options to make a comfortable workstation for those who spend extended hours in front of monitors. Also, our ergonomic stand facilitates communication with customers or colleagues by allowing for a downward height adjustment.

Reader Mode

Reader Mode adjusts color temperature and luminance to help make reading easy.

Flicker Safe

Flicker Safe reduces invisible flickering on the screen, and it helps to provide a comfortable working environment for a long time.

CLI (Command Line Interface)

Advanced management for monitors

LG business monitors offer CLI (Command Line Interface), a software for efficient device management. IT managers can update firmware and adjust settings like video mode, brightness, and response time in batches via the server program.

Better life for All

27BA850 complies with multiple standards such as Energy Star and EPEAT.
