security, and control.

## Features:

- **High Brightness:** 500 cd/m<sup>2</sup> brightness ensures clear visibility in various lighting conditions.
- **4K Ultra HD Resolution:** Delivers stunning visuals with a resolution of 3840 x 2160 pixels.
- **Android 11 OS:** Offers a user-friendly interface for easy content management.
- **OPS PC Slot:** Provides the option to embed a PC for total flexibility and control.
- **Wi-Fi Enabled:** Ready for remote content delivery via your network.
- **iiSignage<sup>2</sup> CMS:** Total control of your messaging and advertising remotely and safely.
- **Signal FailOver:** Ensures content is always actively displayed through your choice of inputs.
- **Wireless Sharing:** Effortless ideation and efficient collaboration with iiControl (DMS), iiShare, and the integrated EShare app.
- **24/7 Reliability:** Designed for continuous operation in demanding environments.

With versatile orientation and a sleek design, the LH9875UHS-B2AG seamlessly integrates into any business environment, including retail, corporate, hospitality, and educational settings. Its built-in (and removable) WiFi module allows for remote content delivery, and the Signal FailOver feature ensures that your content is always displayed, even in critical situations.

**IYAMA** is a leading manufacturer of high-quality monitors and digital signage solutions, known for their reliability, performance, and innovative features.
