See the Highlights

Pack it up. Pack it in. So light and so thin

Galaxy Book4 360 is your versatile 2-in-1 workmate for productivity on the move. Super-thin, light and flexible all around, it easily fits into your everyday routine — and your backpack. Grab yours in sleek Grey or Silver.

Super vivid colours. Super AMOLED Display

Dive into the cinematic visuals of the 15.6" Super AMOLED display. Rich, vivid colours and the fast response time turn your games and streams into a spectacle that keeps you on the edge of your seat. Enjoy all the fun with extra eye care thanks to reduced blue light emission.

Key-bored? Use touchscreen

Tap your way around with intuitive multi-touch gestures on Galaxy Book4 360's responsive touchscreen. When inspiration strikes, flip the screen and grab the S Pen to sketch, note down ideas or fine-tune your masterworks with precision.

Powerhouse performance on the go

The next-gen Intel® Core™ 7/5 processor combines with powerful Intel® graphics to deliver peak performance for both work and play. Speed through projects to stay on top of your to-dos, then engage in action-packed, fast-paced gaming when you're ready to unwind.

Ports here. There. Everywhere

Versatile built-in ports let you hook up multiple devices to your Galaxy Book4 360, hassle and dongle-free. Enjoy lightning-fast data transfers with two Thunderbolt™ 4 ports and connect easily via HDMI, USB 3.2 Type-A, microSD and 3.5pi HP/MIC.

Super compact, super fast charger

The 68Wh (typical) battery gives you enough power to keep going throughout the day. To get a quick boost, plug in the universal USB-C charger that's light and compact and power up your Galaxy Book4 360 in a flash.

Dolby Atmos. Sound that speaks volumes

Upgrade your audio experience with the clear, deep sound of the dual-speaker system on Galaxy Book4 360. Both speakers are tuned with Dolby Atmos, delivering immersive surround sound from your favorite tracks and shows.

Wide-angle camera. Wise choice

Get ready to take center stage in video calls with the 1080p wide-angle webcam and high-quality mics with AI noise canceling.

Samsung Galaxy Ecosystem

Use your phone as a connected camera

Upgrade your video calls from standard laptop webcam to stunning clarity using your Samsung Galaxy smartphone as a connected camera. Connect seamlessly to your Galaxy Book4 360, switch between front and rear cameras to find your angle, and enjoy a high-quality picture with enhanced video effects in video applications.

Copilot. Your own personalised AI

Stay on top of your tasks via quick chat prompts with Copilot's personalised AI assistance. Plus, get smarter communication tools — access contacts and send messages effortlessly from your PC or Samsung Galaxy mobile device with a simple chat command.

Connect your phone and PC for seamless access

Get direct access to content on your phone right from your laptop with File Explorer. Simply set up the wireless connection between your devices and you're set — search for the files and photos you need, then open them seamlessly from your PC.

Meet your AI photo editing ally: Photo Remaster

The AI-powered Photo Remaster tool lets you breathe new life into old photos and low-quality images. Using a smart algorithm, the feature allows you to clean up blurry photos, as well as remove

unwanted light and shade from your snaps with just a tap.

Samsung Studio. Create and edit seamlessly

Create and edit your next masterpiece across devices with Samsung Studio. Shoot a video and start cutting on one of your Samsung Galaxy mobile devices, then export easily via Quick Share to add final touches with precision on the big screen of Galaxy Book4 360.

Buds Auto Switch keeps you flowin'

Your sound follows you seamlessly from one device to another when paired with Galaxy Buds. If you get a call while on Galaxy Book4 360, your Buds will switch automatically to your phone without missing a beat. When done, continue enjoying the clear LE Audio back on your laptop.

It's all under control with Multi Control

Manage your creative projects with flexibility across devices with Multi Control. Use your Galaxy Book4 360's keyboard with a mouse to navigate through content on your smartphone or Galaxy Tab. Drag and drop or copy and paste text, images and files between devices to put your ideas together.

Quick Share. File transfer at your fingertips

Share your inspiring concepts and finished masterworks to other Samsung Galaxy devices in a flash via Quick Share. If you need to send something more personal, the private sharing feature protects your sensitive data by encrypting it with blockchain technology.

Unleash your mobile experience on your PC

The Phone Link app lets you access notifications, calls, messages, recently viewed webpages and even your Samsung Galaxy device's mobile hotspot right from your Galaxy Book4 360. Launch recently used mobile apps directly from your PC for a quick and seamless workflow across devices.
