operation with the same desktop set. Data is transferred using AES-128 encryption in both modes, with a range of up to 10 meters suitable for multimedia applications on televisions.

Features:

- Connects via 2.4 GHz wireless USB or Bluetooth® 4.2.
- Data transfer via AES-128 encryption.
- Rechargeable lithium batteries for weeks of use.
- Convenient USB-C charging during use.
- Integrated metal plate for optimal sturdiness and stability.
- High-quality scissor mechanisms for an ideal typing experience.
- Status LEDs for CAPS LOCK, SCROLL, and NUM keys.
- Six additional keys: “Windows lock”, “Open browser”, “Quieter”, “Louder”, “Mute”, and “Open calculator”.
- Mouse resolution adjustable in three stages: 1000, 1600, or 2400 dpi.
- Durable mouse wheel with optical scanning.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks. Charge the wireless mouse and keyboard using the included USB-C cable, even while working. The wireless keyboard includes an integrated metal plate for sturdiness and stability, and can be adjusted with a removable magnetic strip for a steeper typing angle. High-quality scissor mechanisms ensure an ideal typing experience, while status LEDs provide information on CAPS LOCK, SCROLL, and NUM keys. Six additional keys offer convenient access to functions like “Windows lock” and “Open calculator”. The wireless mouse features rubber-coated side parts, adjustable resolution, and a durable mouse wheel.

CHERRY is known for producing high-quality, reliable computer peripherals, and the DW 9100 SLIM desktop set is a testament to their commitment to innovation and design.

Ghz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in an instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The 6 additional keys have proved to be extremely convenient and practical: “Windows lock”, “Open browser”, “Quieter”, “Louder”, “Mute” and “Open calculator”.

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user’s hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 1600 or 2400 dpi. A two-color status LED provides the user with information on the battery status, the charging status, the selected resolution or the connection status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless for mobile working, in the office or home office. The DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are flexibly equipped for all eventualities.
