The Signature MK650 Combo for Business is designed to meet the rigorous demands of enterprise IT departments while providing employees with the comfort and efficiency they deserve. This comprehensive wireless kit includes a full-size keyboard and a precision mouse, offering seamless connectivity, enhanced security, and customizable features for maximum productivity.

Engineered for the modern workflow, the MK650 keyboard features the familiar QWERTY US International layout complemented by a full numeric keypad, making data entry and navigation fast and accurate. The intuitive hotkeys provide instant access to essential business functions like dictation, screen snipping, microphone mute, and emoji selection, streamlining communication and task management.

## Key Features and Connectivity:

- **Dual Wireless Connectivity:** Connect via Bluetooth LE for versatility or utilize the included Logitech Logi Bolt USB receiver for a secure, robust wireless connection preferred by business environments.
- **Precision Mouse Control:** The included wireless mouse features 5 responsive buttons and adjustable real-time sensitivity switching, ranging from 400 to 4000 DPI, ensuring smooth and accurate tracking across different tasks.
- **Dedicated Productivity Hotkeys:** Quickly access functions such as dictation, screen snip, microphone mute, back, refresh, Tab, print, calculator, and language switch directly from the keyboard.
- **Full-Size Layout:** Features a QWERTY US International layout and a dedicated numeric keypad, perfect for accounting, finance, and extensive data input.
- **Business Ready:** Works seamlessly with Chromebooks and is optimized for the IT professional managing large deployments.

**LOGITECH** is a globally recognized leader in computer peripherals, celebrated for developing innovative and reliable devices that enhance user productivity and comfort across professional and personal environments.

Order today from ++SHOP++ as we offer the best combination of pricing and customer support for all your peripheral needs.
