entertainment.

Seamless Connectivity and Workplace Simplification

This monitor functions as a comprehensive docking station, eliminating cable clutter and boosting efficiency. Utilizing a single USB-C cable, you can simultaneously display video, transfer data via the integrated USB 3.2 Gen 1 hub, and power/charge your compatible notebook with 65 Watts of Power Delivery (PD).

- **Integrated USB-C Dock (65W PD):** Charge your laptop and transfer video/data using just one cable.
- **Built-in Ethernet (RJ45):** Connect your notebook automatically to your corporate network via the monitor's LAN connection.
- **Daisy Chain Capability:** Easily extend your desktop using the DisplayPort output to create a seamless dual-monitor setup.

Superior Visual Performance and User Comfort

The ProLite XUB2797HSN-B2 ensures crisp, fast-paced performance. The ultra-fast 1 ms Moving Picture Response Time (MPRT) coupled with Adaptive-Sync technology ensures smooth motion and reduced blur during fast video playback or gaming. Productivity is supported by crucial eye-care technologies.

- **IPS Technology:** Delivers superb color accuracy (99% sRGB) and consistent image quality across extreme viewing angles.
- **100 Hz Refresh Rate:** Provides noticeably smoother scrolling and reduced eye strain compared to standard 60 Hz or 75 Hz displays.
- **Eye-Care Features:** Equipped with Flicker-Free technology and a Blue Light Reducer function to minimize fatigue during long working sessions.
- **Matte Screen Coating:** Reduces glare and reflections in brightly lit environments.

Fully Ergonomic and Versatile Design

Designed for maximum adaptability, the XUB2797HSN-B2 features a premium stand that allows you to customize the display position precisely to your needs, promoting better posture and workflow.

- **Ergonomic Adjustments:** Full control over Height (150 mm travel), Pivot (90-degree rotation for vertical view), Swivel, and Tilt.
- **Multiple Inputs:** Includes HDMI, DisplayPort, and USB-C for broad device compatibility.
- **VESA Support:** Ready for alternative mounting solutions.

IYAMA is a recognized manufacturer known worldwide for creating reliable, high-quality monitors primarily focused on productivity, professional use, and exceptional value. Their ProLite series is trusted in offices and businesses globally.

Order today from ++SHOP++ as we offer the best deals and fast shipping on professional IYAMA displays.

Equipped with a USB-C dock connector, the XUB2797HSN allows you to simplify your workspace by using a single cable to both send signal from your notebook to your monitor and power and charge the notebook from the monitor. Additionally, if your monitor is connected to the Internet with a LAN cable, your notebook will automatically be connected to the network as well. Thanks to a DisplayPort output you can easily extend your desktop by creating a double-monitor set-up. Supplied with a 150mm height-adjustable stand featuring pivot and swivel functions, the XUB2797HSN allows you to easily adjust the screen position to your preferences. Available also without USB-C dock: XUB2797QSU-B2 .

The iiyama ProLite XUB2797HSN-B2 is a versatile 27-inch desktop monitor designed for work and entertainment. With a native resolution of 1920 x 1080, this monitor ensures vibrant image clarity enhanced by its LED backlight and 300 cd/m² brightness. The IPS technology provides wide viewing angles of +89/-89 degrees, making it suitable for collaborative settings. Equipped with features such as Adaptive-Sync technology, Flicker-Free technology, and a Blue Light Reducer Function, this monitor prioritizes user comfort while offering motion blur reduction and a typical response time of 1 ms, ensuring smooth visuals during fast-paced activities. Additionally, the monitor supports various connectivity options including HDMI, DisplayPort, and USB-C, making it compatible with modern devices. The built-in USB 3.2 Gen 1 hub fosters easy connectivity and enhanced productivity.
