The Nitro+ OC edition signifies top-tier engineering, featuring a robust factory overclock (OC) for enhanced speed right out of the box. Coupled with 16GB of high-speed GDDR6 memory, this GPU is perfectly equipped to handle 4K resolution gaming, intensive content creation tasks, and future-proof performance.

Unmatched Cooling and Performance

Sapphire's renowned Nitro+ cooling system ensures that the Radeon RX 9070 operates efficiently and quietly, even under heavy loads. This advanced cooling solution maintains optimal temperatures, allowing the card to sustain its boosted clock speeds longer, maximizing your in-game performance without compromise.

Key Specifications:

- GPU Chipset: AMD 9070, built for next-generation gaming.
- Video Memory: 16GB GDDR6 high-speed memory configuration.
- Edition: Nitro+ OC – factory overclocked for superior speeds and premium component quality.
- Ideal for high-refresh-rate 1440p and immersive 4K gaming experiences.

SAPPHIRE is a globally recognized leader in the production and distribution of innovative graphics solutions, specializing in AMD Radeon technology. Known for their custom designs and high-quality cooling systems like the Nitro+ series, SAPPHIRE consistently delivers performance and reliability to PC builders and gamers worldwide.
