Circle it, find it. Hear it, find it

Circle to Search with Google allows you to instantly search anything on your screen. Just circle an object—including images, videos or text—with your finger or the S Pen, and you'll get AI Overview results immediately. You can even search for a song that you hear in the moment without switching apps.

A sound studio at your fingertips

Footage of subjects is seen with soundwaves across the middle. In Audio Eraser, selected unwanted noise can be reduced from 0 to minus 100. At minus 100, Mute is highlighted.

Filter out unwanted background noise from your videos and make them share-worthy with Audio Eraser. Galaxy AI fine-tunes your audio by adjusting different types of sound including voices, music, wind and more.

Your own personal health coach

Keep up with your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring and receive personalised insights and coaching such as an analysis of your sleep, activity and heart rate.

Personal data stays personal

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

Have control over your Galaxy AI. You can decide where to process it, either on-device or in the cloud.

We've further improved security across Galaxy connected devices with Knox Matrix Trust Chain technology. Now you can monitor the security of other devices right from your Galaxy smartphone.
