The iiyama ProLite XU2491H-B1 offers a superb blend of performance and elegant design, perfect for both professional office use and creative design work. Featuring a stylish edge-to-edge (frameless) bezel, this 23.8-inch monitor is optimized for creating seamless multi-monitor setups, enhancing productivity and immersion.

Superior Visuals and Responsiveness

Equipped with advanced IPS panel technology, the XU2491H-B1 ensures accurate, consistent color reproduction and exceptional clarity across wide 178° viewing angles. The Full HD 1920 x 1080 resolution delivers crisp, detailed images, making it an excellent choice for tasks demanding color precision, such as photographic and web design.

Performance is significantly boosted by the 100Hz refresh rate, providing smoother motion handling compared to standard 60Hz displays. Coupled with a rapid 0.5ms response time, image artifacts and blurring are minimized, ensuring fluid visuals even during fast-paced content viewing or application scrolling.

Key Features for Productivity and Comfort:

- **23.8" IPS Panel:** Delivers outstanding color accuracy and consistent imagery across wide viewing angles (178°/178°).
- **100Hz Refresh Rate & 0.5ms Response Time:** Ensures exceptionally smooth and fluid on-screen motion.
- **Edge-to-Edge Design:** Ultra-slim bezel makes this monitor ideal for sophisticated multi-display configurations.
- **Full HD Resolution (1920x1080):** Provides sharp clarity and ample screen real estate for multitasking.
- **Blue Light Reducer:** Integrated function designed to minimize eye fatigue during extended use.
- **Connectivity:** Features HDMI and DisplayPort inputs, along with a convenient headphone socket.
