## IIYAMA TF2238MSC-B1 21.5-inch Full HD Open Frame Touchscreen Monitor

The IIYAMA ProLite TF2238MSC-B1 is a 21.5-inch Full HD (1920x1080) open frame monitor designed with an IPS panel for exceptional color accuracy and wide viewing angles. Its Optical Bonded Projective Capacitive (PCAP) 10-point touch technology ensures smooth, accurate touch response and reduced light reflection. This monitor is built to withstand demanding environments, featuring a robust metal housing and scratch-resistant 7H edge-to-edge glass with an anti-fingerprint coating.

The Full HD (1920x1080) Open Frame monitor ProLite TF2238MSC-B1 with IPS panel technology offers exceptional colors and wide viewing angles. The Optical Bonded Projective Capacitive (PCAP) 10-point touch technology ensures a seamless and accurate touch response and a lower light reflection, in addition, the display is protected against humidity and potential moisture development. A robust metal housing and a scratch-resistant 7H edge-to-edge glass with anti-fingerprint coating make the monitor particularly suitable for integration in demanding environments. The monitor meets also a IPX1 protection rating, making it waterproof for a period of time against dripping water. The ProLite TF2238MSC-B1 can be used in landscape, portrait and face-up orientation. A perfect solution for kiosk systems, retail and interactive digital signage installations.
