Professional Color Fidelity and Accuracy

Achieving true color representation is crucial for professional work. The ProArt PA247CV delivers unparalleled fidelity:

- **Calman Verified Accuracy:** Rigorously tested and verified to ensure professional-grade color precision.
- **Exceptional Color Accuracy ($\Delta E 2$):** Guarantees that colors are reproduced accurately on screen, eliminating guesswork during editing.
- **Wide Color Gamut:** Supports industry-standard 100% sRGB and 100% Rec. 709 coverage, making it ideal for standard web and video production workflows.

Seamless Connectivity and Power Delivery

Streamline your workspace with the versatile connectivity options offered by the PA247CV. The integrated USB-C port is a true single-cable solution, supporting data transfers, DisplayPort signal, and simultaneous 65W power delivery to charge your laptop or devices. The monitor also acts as a convenient USB hub, providing easy access to connected peripherals.

- **USB-C Power Delivery (65W):** Charge connected devices and transfer video/data over one USB-C cable, keeping your desk tidy.
- **Integrated USB Hub:** Conveniently connect peripherals directly to the monitor via its USB ports.
- **DisplayPort and HDMI:** Ensures wide compatibility with most modern multimedia sources and supports DisplayPort Daisy-chaining.

Designed for Workflow Efficiency

Enhance your productivity with exclusive ASUS ProArt features designed to simplify color management and editing:

- **ProArt Preset:** Multiple modes for quick color-gamut adjustments, perfect for switching between photo editing, video grading, and graphic design tasks.
- **ProArt Palette:** Customize your display via intuitive on-screen menus, allowing precise adjustments to color hue, temperature, and gamma, with two-point grayscale sliders.

- **ASUS QuickFit Virtual Scale:** Preview documents and artwork in actual size on screen prior to printing, saving time and materials.
- **Ergonomic Stand:** Features full tilt, swivel, pivot (90 degrees for portrait mode), and height adjustments for optimal viewing comfort during long creative sessions.

Advanced Eye Care Technology

The ASUS ProArt series protects your vision without compromising image quality using advanced eye care features.

- **ASUS Flicker-Free Technology:** Reduces on-screen flicker to minimize eye strain and fatigue during extended use.
- **ASUS Ultra-Low Blue Light:** Offers four filter settings, easily accessible via a hotkey, protecting against potentially harmful blue light emissions.

ASUS is a world-renowned technology leader committed to creating products for today and tomorrow's smart life. Known for innovation and high-quality components, their ProArt line is dedicated to professional creative excellence and reliability.

Revel in pure, expressive hues thanks to accurate, true-to-life color reproduction. ProArt displays achieve $\Delta E 2$, so your images are accurately reproduced on screen – allowing you to see exactly how your work is going to look when it's finished.

True color, right out of box

Color professionals rely on color-accurate displays to ensure that their creations look exactly as intended. ProArt Display PA247CV is factory calibrated and Calman Verified to guarantee industry-leading color accuracy. Every ProArt display undergoes stringent, meticulous testing to ensure smoother color gradation. Consumer of pro, you're assured color-accurate viewing and content-creation experiences.

Quick color-gamut adjustment

ASUS-exclusive ProArt Preset provides multiple modes for quick color-gamut adjustment. Whether you're color grading, video editing or manipulating photos, you can switch and match your needs easily.

Personalized editing experience

ASUS ProArt Palette lets you customize your display via a wide range of parameters, including color hue, temperature and gamma adjustments – all easily accessed via intuitive on-screen menus. There are also two-point grayscale sliders for all six colors, providing greater color-adjustment flexibility than many competing monitors. ProArt Palette empowers you to produce quickly and consistently, and makes it easy to keep your color management in check.

The USB-C That Does It All

ProArt Display PA247CV gives you unparalleled compatibility with USB-C, HDMI and DisplayPort most multimedia devices. The integrated USB-C port supports data transfers, DisplayPort and also support 65W power delivery. PA247CV also serves as a USB hub, meaning that when you connect to it via USB-C (using C to C cable, or C to A cable), your device gains access to whatever peripherals are connected to the USB ports.

Real-size artwork preview

Save time and work smarter with ASUS QuickFit Virtual Scale. This clever feature overlays a grid on the screen that allows to align and preview documents in their actual sizes prior to printing.

Protect your eyes with ASUS Eye Care technology

ASUS Ultra-Low Blue Light technology

Exclusive ASUS Ultra-Low Blue Light technology protects you from blue-light emissions that may be harmful to your vision. It offers four blue-light filter settings that are easily accessed through the on-screen menu via the hotkey.

ASUS Flicker-Free technology

ASUS Flicker-Free technology provides a more comfortable viewing experience and work environment by reducing on-screen flicker to minimize eye strain, headaches and eye fatigue when you spend long hours in front of the display.

Versatile comfort with ergonomic stand design

With an ergonomically-designed stand with tilt, swivel, pivot and height adjustments, ProArt displays provide comfortable viewing and usage experiences. The ability to pivot the screen clockwise or counterclockwise 90 degrees for use in portrait mode comes in handy when working with long documents, coding or website browsing. Furthermore, the quick-release stand makes it easy to attach the display via the integrated VESA wall mount – screw-free, so it's done in seconds!
