See the World in Different Ways

All-new ASUS VU displays are the perfect choice for anyone who wants a great everyday monitor. They offer all the features and connectivity you need for a variety of tasks, from gaming and entertainment to productivity and creativity. Their stylish color options and built-in cable management will help you create a clean and tidy PC setup. And not only are they affordable, but they're certified as sustainable tech — so they're great for you, and kinder on our planet.

PRODUCT DESIGN

Stylish and Functional

Thoughtful design elements make ASUS VU monitors a great fit for any PC setup. The stand's long, thin legs hold the displays securely without taking up too much desktop space. VU monitors are practical, but they're also fun. Choose from four color options, each with its own personality: Quiet Blue, Green Grey, Oat Milk, and Rose Clay. With this array of colorful displays, you're sure to find an option that coordinates with the aesthetic of your full PC setup.
