ASUS ZenScreen Touch MB16AMTR Portable Monitor: Next-Level Mobile Productivity

The ASUS ZenScreen Touch MB16AMTR redefines mobile computing, offering a seamless 15.6-inch Full HD (1080p) display packed into an incredibly slim 1.19 cm profile. Designed for professionals and users constantly on the move, this portable monitor combines a powerful 7800 mAh built-in battery with responsive 10-point touch technology, ensuring you have an expansive and interactive workspace wherever life takes you.

Intuitive 10-Point Touch Control

Tap into enhanced productivity with the highly accurate and responsive 10-point multi-touch screen. The ZenScreen Touch allows for effortless interaction, supporting intuitive gestures like swipe, scroll, drag, and pinch. This functionality makes editing documents, drawing, and navigating complex interfaces significantly more efficient. The device is fully compatible with Windows 11, providing a smarter way to manage your tasks.

Vibrant IPS Full HD Visuals

- **Crystal Clear Display:** Enjoy sharp and vibrant images thanks to the 15.6-inch IPS panel boasting Full HD 1920 x 1080 resolution at a smooth 60 Hz refresh rate.
- **Wide Viewing Angles:** IPS technology ensures excellent visual clarity and consistent colours from extreme angles (170° H/V).
- **Fast Response Time:** A quick 5 ms grey-to-grey response time minimizes motion blur, ideal for video content and casual gaming.
- **Anti-glare Surface:** The anti-glare screen coating reduces reflections, allowing for comfortable use even in bright environments.

Ultimate Mobility and Connectivity

The ZenScreen MB16AMTR is built for flexibility. Its hybrid-signal USB-C connectivity handles both power and video transmission via a single cable, while the additional Mini-HDMI port ensures broad

compatibility with laptops, smartphones, and game consoles. With its large 7800 mAh internal battery, the monitor provides up to 4 hours of continuous usage, ensuring productivity sessions are never interrupted. Built-in 2x1W speakers offer clear audio output for media consumption.

Ergonomic and Eye-Friendly Design

Featuring an integrated ergonomic kickstand and a tripod socket, the monitor is easily positioned for optimal viewing. Furthermore, the MB16AMTR includes advanced ASUS EyeCare technology to protect your vision during extended use. It holds TUV Rheinland certifications for both Low Blue Light and Flicker-Free operation, significantly reducing eye strain.

ASUS is a globally recognized technology leader renowned for creating innovative devices, components, and solutions that deliver incredible experiences and enhance modern digital life.

making ZenScreen Touch MB16AMTR ready for productivity or entertainment anywhere.

The ASUS ZenScreen is a testament to innovation in portable display technology. This 16-inch LED-backlit LCD monitor combines a sleek, lightweight design with powerful visual performance. Its Full HD (1080p) resolution and IPS technology ensure sharp, vibrant images from virtually any angle, making it perfect for presentations, media consumption, and productivity on-the-go. The ZenScreen is also built to care for your eyes. Thanks to ASUS EyeCare Technology, including a flicker-free panel and Low Blue Light technology, users can enjoy long hours of comfortable use without straining their eyes. The inclusion of a 10-point multi-touch screen further enhances user interaction, offering a more dynamic and efficient way to navigate. Connectivity is straightforward with the ZenScreen, featuring Mini HDMI and USB-C ports to connect to a wide range of devices. Whether you're a professional needing an extra screen for productivity or a student looking for a versatile monitor for study and entertainment, the ASUS ZenScreen is your perfect companion.
