Calman Verified Color Performance

Achieve true-to-life color reproduction crucial for professional workflows. The PA24ACRV is Calman Verified and factory pre-calibrated to achieve an outstanding color accuracy of Delta E 2. It boasts 95% DCI-P3 and 100% sRGB coverage, ensuring your creative work is displayed exactly as intended across different media standards. Support for VESA DisplayHDR 400 (Peak brightness 400 cd/m²) enhances contrast and shadow detail, while the 75 Hz refresh rate and 5 ms response time handle motion smoothly.

Productivity and Connectivity: Single-Cable USB-C Solution

The ProArt PA24ACRV maximizes efficiency and minimizes clutter with robust connection options centered around modern USB-C technology.

- Integrated USB Type-C port supporting DisplayPort Alternate Mode, high-speed data transfer, and powerful 96W Power Delivery (PD) for simultaneous laptop charging and display connection via a single cable.
- Built-in USB 3.2 Gen 1 hub with three USB Type-A downstream ports for easy peripheral connection.
- Comprehensive connectivity options including two DisplayPort 1.4 ports and one HDMI 2.0 port.
- Features HDCP 2.2 for protected content viewing.

Design, Ergonomics, and Sustainability

Designed for long-term comfort and flexibility, the PA24ACRV features a slim profile and a base that is 33% smaller than previous models, saving valuable desk space. The highly flexible stand ensures optimal viewing angles for any task.

- Highly ergonomic stand offering 13 cm height adjustment, extensive tilt (-5° to 23°), swivel (-30° to 30°), and 90° pivot functionality for portrait mode.
- Built-in 4W RMS stereo speakers and headphone output for multimedia flexibility.
- Eye-care technologies including Flicker-Free and Low Blue Light to reduce strain during long sessions.
- Commitment to sustainability, holding certifications such as EPEAT Gold, TCO, and FSC Mix.

All the Essentials for Pros

ProArt Display PA24ACRV is a 23.8-inch QHD monitor designed for professional video editors. This Calman Verified display boasts a wide color gamut with 95% DCI-P3 coverage and is factory pre-calibrated to Delta E 2 for exceptional color accuracy. For added convenience, the built-in USB-C® port offers DisplayPort™ support, superfast data transfers, and 96-watt power delivery via a single cable.

Exquisite Design

Compared to its predecessor, ProArt Display PA24ACRV has a space-saving base that's 33% smaller, as well as a 30% slimmer profile. Like its contemporaries in the ProArt Display family, PA24ACRV feels right at home in a studio or in any living space, with an understated elegance that is a nod to exquisite craftsmanship and uncompromising attention to detail.
