Order today from ++SHOP++ as we offer the best prices and fast shipping on Iiyama products.

The T1731SR-B1S is based on 5 wire resistive touch technology. The price / performance ratio is ideal for the budget conscious user while quality and performance are certainly not compromised. The display inputs include both analogue and digital (HDMI and DisplayPort) with touchscreen connectivity via USB offering great flexibility. The flexible stand can be positioned at several angles creating a comfortable and ergonomic user experience and the integrated cable management system hides all the cables and electrical wires giving a neat and cable-free workspace. The T1731SR-B1S can be used in a variety of environments, especially recommended for shops, restaurants and industrial purposes.
