into your business.

## Features:

- **Ultra-Slim Depth:** At only 28.5mm thickness, it's the thinnest in Samsung's UHD series.
- **Even Bezel:** Consistent bezel thickness on all four sides prevents visual issues when in portrait mode.
- **Centered VESA Holes:** Ensures secure mounting and prevents unintentional tilting when in portrait mode.
- **Dynamic Crystal Color:** Delivers true-to-life color variations with one billion shades for immersive picture quality.
- **Quantum Processor Lite 4K:** Enhances content clarity and consistency, upscaling lower-resolution video to UHD.
- **Non-Glare Panel:** Provides better visibility from all angles, ensuring critical information is always visible.
- **Home UI:** Upgraded home screen UI with easy access to Favorites, Sources, and Settings.
- **SmartView+:** Enables wireless screen sharing for easy collaboration without cable connections.
- **Smart Calibration:** Ensures brand consistency across all displays with accurate color calibration via a mobile app.
- **Professional Modes:** Built-in modes like Director Mode and DICOM Simulation Mode for specialized applications.
- **Samsung VXT CMS:** Cloud-based solution for content management and remote device management.
- **Energy Star / EPEAT / TÜV Rheinland Carbon Footprint:** Environmentally preferable product certifications.

**Samsung** is a global leader in technology, constantly innovating to create solutions that enhance the way we live and work. With a commitment to quality and innovation, Samsung delivers cutting-edge products that meet the evolving needs of businesses and consumers alike.

## **Ultra Slim Depth**

The QMC's unparalleled ultra-slim thickness of 28.5mm makes it the thinnest option in Samsung's UHD series. It comes with the Slim Fit Wall Mount, which allows you to install it neatly and easily in any environment. QMC optimizes space with its sleek design that blends seamlessly into your business.

## **Slim design. Stunning performance**

Introducing QMC, the slimmest display in the Samsung UHD Signage. It brings elegance to business while maximizing space. Its enhanced internal solutions and intuitive home screen UX make it easy to use. Businesses in various verticals can achieve growth with QMC's efficiency and design innovation.

## **Clean visuals in landscape or portrait mode**

### **Even Bezel**

The bezels are consistent and even on all four sides of the display, with the same thickness and dimensions. The new even bezel design prevents any visual issues from arising when the display is adjusted to portrait mode.

### **Secure and even mounting**

### **Centered VESA Holes**

The central positioning of the VESA holes on the back of the display evenly distribute its weight for secure mounting. With the VESA holes now shifted to the center, users can adjust the display to portrait mode without the display tilting unintentionally.

## **Lifelike color, born in a pure state with fine crystal**

### **Dynamic Crystal Color**

[www.shopro.lt](http://www.shopro.lt) | [info@shopro.lt](mailto:info@shopro.lt) | +370 693 39903

Every picture is more immersive with one billion shades of color. Dynamic Crystal Color delivers true-to-life variations, allowing customers to see every subtlety.

## **View lifelike shades of color in powerful 4K**

### **Quantum Processor Lite 4K**

Samsung's industry-leading video processing technology enhances every piece of content for clarity and consistency. Intelligent UHD upscaling technology, powered by Samsung's Quantum Processor Lite 4K, elevates lower-resolution video to UHD, providing a professional picture quality.

## **Ensure critical information is always visible**

### **Non-glare**

QMC displays feature reliable, non-glare panels that provide better visibility from all angles, any time of day. The non-glare display enables businesses to deliver accurate information in critical locations, like airports and train stations.

## **Connect with convenience**

### **Home UI**

QMC boasts greater usability with an upgraded home screen UI. Popular categories like Favorites, Sources and Settings are displayed on the same screen for convenient availability. The Favorites folder grants users quick, easy access to frequently used features in a single click.

## **Collaborate between screens with wire-free speed**

### **Smartview+**

SmartView+ enables wireless screen sharing without cable connections, ensuring easy collaboration. Users can now enable the screen sharing function at the start of a meeting, allowing the meeting admin to quickly switch between screens with one click.

## **Simplified calibration between screens with mobile app**

### **Smart Calibration**

Guarantee complete brand consistency across every display in every location. Using the Samsung mobile app, Smart Calibration ensures every display is calibrated correctly, showcasing brand logos and other collateral in the exact colors required.

## **Enhance professional environments with expert tools**

### **Professional Modes**

Built-in professional modes enable more possibilities in specific verticals. Director Mode minimizes post-processing, aligning content to the director's original intention. Medical teams can simulate medical images such as X-rays with DICOM Simulation Mode, meeting DICOM's full grayscale standards

## **Change the way to manage your display**

### **Samsung VXT**

Samsung VXT CMS is a cloud-based solution that brings together content management and remote device management capabilities, allowing users to remotely manage hardware settings and troubleshoot issues while effortlessly creating and deploying content with no previous training needed.

## **Everyday Sustainability**

### **Energy Star / EPEAT / TÜV Rheinland Carbon Footprint**

Samsung is making diverse efforts to reduce our environmental impact in smart signage, and encouraging users to pursue a more sustainable life. As a result, QMC series has earned a series of certifications for environmentally preferable products from highly recognized institutes in Germany and the U.S.
