AG Neovo TX-10 25.4cm (10in) LED Touch Display

The AG Neovo TX-10 Multi-Touch Interactive Display brings the tablet experience to a monitor form factor with its 10.1-inch, 10-point touch screen. Designed for seamless integration into kiosks, its foam seal and front-side IP65 rating protect against dust and water. External mounting brackets facilitate installation in various environments, such as meeting rooms for scheduling displays or for interactive applications in public, commercial, and industrial settings. Supporting both landscape and portrait orientations, the TX-10 multi-touch interactive display offers exceptional versatility.
