### **Productivity, enhanced with voice call summary**

Get AI-powered run-downs to keep your client calls straight. Recording, transcribing, and summarising calls are much simpler with Call Transcript. Expect smooth communication that picks up right where you left off with your clients.

### **Find the words you need with Writing Assist**

Perfectly crafted professional emails, at your fingertips. Whatever you want to say and in whatever tone or topic, Writing Assist provides you a variety of options so you can communicate more effectively with your clients.

### **Government-grade security**

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

### **The most powerful processor, customised for Galaxy**

Introducing our most powerful processor, customized for Galaxy. With improved real-time ray tracing and Vulkan optimisation, dive deep into the action with ultra-smooth gameplay thanks to Snapdragon® 8 Elite Mobile Platform for Galaxy.

### **Upscaled with precision. See the difference.**

ProScaler enhances resolution by using advanced AI-algorithm processing to deliver a viewing experience in high definition without having to adjust the display settings.

### **Unparalleled battery life**

Our pioneering mDNIe technology has been built into our custom-made AP, and with software optimisation, battery usage time is enhanced so you can enjoy hours of watching videos.

### **The sharpest details from every angle**
