with a vibrant IPS panel, it ensures precise, consistent color reproduction and exceptional 178° wide viewing angles, making it ideal for graphic work, collaboration, and daily business tasks.

Optimized for Comfort and Performance

Featuring a smooth 100Hz refresh rate and a rapid 4 ms response time, this display delivers fluid motion, enhancing both work quality and casual media consumption. Crucially, the XUB2490HSUH-B2 prioritizes user well-being with flicker-free technology and a Blue Light Reducer function, significantly minimizing eye strain during long hours of use.

Integrated Communication Hub

This ProLite monitor elevates your virtual collaboration experience by incorporating a high-quality, built-in 5MP autofocus webcam. Compliant with Windows Hello, it offers advanced facial recognition for swift and secure login access. Complete with a privacy shutter and a quality microphone, this integrated hub ensures seamless video conferencing without the need for external peripherals.

Key Features:

- 23.8" Full HD (1920x1080) IPS Panel for superior color consistency and wide viewing angles.
- 100Hz Refresh Rate for smoother on-screen motion compared to standard 60Hz displays.
- Built-in 5MP Autofocus Webcam with Privacy Shutter and Microphone, compatible with Windows Hello security.
- Ergonomic Stand featuring 15 cm height adjustment, pivot (rotation), and swivel functions for finding the perfect viewing position.
- Eye Care Technology: Flicker-Free operation and Blue Light Reducer to protect user eyesight.
- Fast 4 ms response time for crisp visuals.

iiyama is a globally recognized manufacturer known for producing high-quality monitors utilizing advanced display technologies, focusing on reliability and user experience across professional, gaming, and commercial sectors.
