Verbatim PMT-15 Portable Touchscreen Monitor

The Verbatim Portable Touchscreen Monitor adds a new dimension to your work and entertainment. Use it as a secondary display for your laptop during travel or one-on-one presentations, or as a large external screen for your phone, tablet, or portable gaming device. This compact and versatile monitor provides ultimate flexibility for increased productivity and entertainment on the go.

Features:

- **Touchscreen Control:** Responsive and intuitive 10-point touch screen supports swipe, scroll, drag, and pinch gestures.

- **Full HD Resolution:** Delivers 16.7 million colors in 1080p, utilizing in-plane switching (IPS) technology for sharper, more accurate pictures and wide viewing angles (178° horizontal and vertical).
- **Built-in Kickstand:** Allows you to set the monitor at your preferred angle for improved comfort and productivity.
- **HDR Technology:** High-dynamic range (HDR) improves picture quality, expanding the range of contrast and color for a more immersive viewing experience.
- **One Cable Connection:** Connects via USB-C for power, data, and video transfer using a single cable. An HDMI cable is also included for HDMI connections (power supply required).
- **Portability:** Lightweight and slim design fits easily into most travel bags.
- **Durable Design:** Built with a solid and durable aluminum housing and includes a neoprene protective sleeve.

The Verbatim Portable Monitor offers ultimate flexibility with its touch screen control, full HD resolution, and single-cable connectivity. It's ideal for overcoming one-screen limitations outside the office, extending your visual experience anytime, anywhere. The display incorporates high-dynamic range (HDR) technology, significantly expanding the range of both contrast and color, giving the image more “depth” and creating a fantastic viewing experience.

Verbatim is a global brand recognized for its quality and reliability in data storage and technology accessories. With a commitment to innovation, Verbatim continues to provide cutting-edge solutions for both personal and professional use.

drag, and pinch gestures to help you get your tasks done efficiently. It's the ideal solution to help you overcome one-screen limitations outside the office, extending your visual experience, anytime and anywhere.

Full HD resolution

Delivering 16.7M colours in 1080p or full HD, the Verbatim Portable Monitor utilizes in-plane switching technology (IPS) to produce a sharper and more accurate picture and wide viewing angle on its 16:9 screen. The built in kickstand enables the monitor to be set up at the angle that suits you best in a position of your choice helping to improve comfort and overall productivity.

The display incorporates high-dynamic range (HDR) technology which improves picture quality – significantly expanding the range of both contrast and colour – giving the image more “depth” and creating a fantastic viewing experience.

One cable connection

The portable monitor connects via USB-C meaning that power, data, and video is all transferred using a single cable. Just connect it to your laptop, Mac, tablet, phone, or games console, and start sharing screens!* There is also an HDMI cable included for those requiring connection via HDMI. Using HDMI requires the use of a power supply, which is also included. For touch function support, an additional USB cable is required. The power supply also supports longer use for devices connected via USB-C.

Lightweight and slimline, the portable touchscreen monitor easily fits most travel bags. Built in a solid and durable aluminium housing and with an included Neoprene protective sleeve, it's a perfect companion for those trips away.
