and anywhere.

Ultra HD 4K resolution

Delivering 16.7M colours in Ultra HD 4K, the Verbatim 4K Portable Monitor utilizes in-plane switching technology (IPS) to produce a sharper and more accurate picture and wide viewing angle on its 16:9 screen. The built in kickstand enables the monitor to be set up at the angle that suits you best in a position of your choice helping to improve comfort and overall productivity.

The display incorporates high-dynamic range (HDR) technology which improves picture quality – significantly expanding the range of both contrast and colour – giving the image more “depth” and creating a fantastic viewing experience.

One cable connection

The portable monitor connects via USB-C meaning that power, data, and video is all transferred using a single cable. Just connect it to your laptop, Mac, tablet, phone, or games console, and start sharing screens!* There is also an HDMI cable included for those requiring connection via HDMI. Using HDMI requires the use of a power supply, which is also included. For touch function support, an additional USB cable is required. The power supply also supports longer use for devices connected via USB-C.

Lightweight and slimline, the portable touchscreen monitor easily fits most travel bags. Built in a solid and durable aluminium housing and with an included Neoprene protective sleeve, it's a perfect companion for those trips away.

*Ensure your device has a USB-C port supporting DisplayPort Alt Mode and power delivery.
