technology to eliminate tracing and ensure crisp and smooth viewing experience. Its highly ergonomic design along with TÜV Rheinland-certified Flicker-free and Low Blue Light provides a comfortable viewing experience.

Ultra-wide immersive curvature

The Ultra-wide 21:9 panel provides 35% more onscreen space than Full HD monitors of a similar size, making multitasking more enjoyable and efficient. 1,500R panel curvature ensures every point on the curved display is equidistant to your eyes, so you get a comfortable viewing experience.

The USB-C That Does It All

An included USB-C® port enables superfast data transfers, DisplayPort connectivity and 96W power delivery to charge devices via just one USB-C cable. The monitor also serves as a USB hub: any device connected to the USB Type-A ports gains access to other peripherals hooked up to the other USB ports.

Expansive Connectivity

Along with a USB-C port, ASUS VA34VCPSR offers an HDMI, DisplayPort, three USB-A downstream ports and RJ45 — so its compatible with a wide variety of devices. VA34VCPSR even includes an RJ45 Ethernet port to provide connected devices with a stable Internet connection for more space saving and convenience. It also has pass-through port for the headphone jack input.

Built-in stereo speakers for multimedia

With two integrated speakers, VA34VCPSR enhances your audiovisual experiences, for limitless entertainment and multimedia enjoyment.

Ergonomic Design

A comfortable viewing position is always within reach thanks to ergonomically-designed stand with tilt, swivel and height adjustments provides a superb range of viewing options for increased productivity and comfort.

Protect your eyes with ASUS Eye Care technology

ASUS blue light filter

For viewing comfort and for protection from potentially harmful blue light, it offers intuitive and

flexible with seamless adjustment that are easily accessed through the onscreen display menu.

ASUS Flicker-free technology

It's time to say goodbye to those tired, strained eyes. Flicker-Free technology helps reduce onscreen flicker, giving you a more comfortable, movie-marathon-ready environment. It is designed to minimize eyestrain, headaches and eye fatigue when you spend long, countless hours in front of the display.

Smart Cable Management

Cable management design helps you organize and hide various cables to keep your desk area tidy.

Sustaining an Incredible Future

Environmental Certification*

ASUS VA34VCPSR is stringently tested to meet the requirements of world-leading sustainability certifications. These tests include a comprehensive database of up-to-date criteria, independent verification, and a structured system for continuous improvement.

Eco-friendly Packaging

ASUS VA34VCPSR packaging are made of at least 80% recycled cardboard. ASUS has designed the packaging to minimize weight and volume, which helps conserve natural resources and allows more devices to be transported in a single shipping container.

Eco-friendly Materials

Extensive research and development ensure ASUS VA34VCPSR is made from eco-friendly materials like 85% post-consumer recycled (PCR) plastics and components like mercury-free panels.

The ASUS VA34VCPSR features a 34-inch curved screen with a native resolution of 3440 x 1440, designed to enhance your viewing experience. With an image brightness of 300 cd/m² and a contrast ratio of 3000:1, colors come to life, providing an immersive visual experience for gaming and content creation. The display incorporates ASUS EyeCare+ Technology and Flicker-Free technology to reduce eye strain during prolonged use, ensuring comfort without compromising quality.

Connectivity is made seamless with a built-in USB 3.2 Gen 1 hub, allowing for easy integration of
