Streamline your workspace with cutting-edge connectivity options. The Vero B8 includes a versatile USB-C port capable of delivering up to 100W of Power Delivery, allowing you to charge compatible laptops and devices directly through the monitor using a single cable. For robust network stability, an integrated Ethernet LAN (RJ-45) port is included, turning your monitor into a powerful docking station. Connectivity is further enhanced with 1 HDMI port and 1 DisplayPort.

Enhanced Visuals and Performance

- **Crisp QHD Resolution:** Enjoy stunning clarity with 2560 x 1440 pixels displayed across the 27-inch screen.
- **Smooth Motion:** A 100 Hz maximum refresh rate combined with a fast 4 ms response time ensures smoother motion handling than standard 60 Hz displays.
- **Vibrant IPS Panel:** Experience rich colors and 350 cd/m² brightness, ideal for graphic tasks and accurate viewing.
- **Integrated Audio:** Built-in speaker(s) provide convenient sound without the need for external peripherals.

Optimal Ergonomics for All-Day Comfort

Designed with user comfort in mind, the Acer Vero B8 stand offers full adjustability. Easily customize the display position using height adjustment, tilt adjustment, and swivelling capabilities. The monitor also supports VESA 100x100 mounting, offering flexibility for multi-monitor setups or wall installation.

Acer is a globally recognized technology leader dedicated to providing cutting-edge computing solutions, displays, and peripherals that enhance user experience and productivity.
