Versatile business monitors for various workspace

This versatile monitor can cover various works at many places, such as offices, public institutions, hospitals, and customer service, with a clear IPS display and 3-side virtually borderless design.

Smooth workflow

A 100Hz refresh rate provides a smooth loading in various programs. It helps to allow less screen stuttering and motion blur, elevating work productivity.

See amazing colors

HDR technology is now applied to various content. This monitor is compatible with industry standard HDR10 (High Dynamic Range), based on the sRGB 99% color gamut, supporting specific levels of color and brightness that enables viewers to enjoy the dramatic colors of the content.

Productivity hub with easy connectivity

USB-C port allows from display and data transferring to connected device charging (up to 65W), enabling support for your laptop all at the same time over a single cable.

Streamline workflow, increase productivity

LG QHD monitor with USB-C and DisplayPort supports Daisy Chain setup. So you can establish a productive workstation by connecting dual monitors and a laptop using a DP cable and a USB-C cable. With USB-C technology, you can charge the connected laptop, while transferring display and data simultaneously.

Clutter-free workstation

The 27BA65QB has a built-in docking station that you can easily connect numerous devices for efficient desk setup. Keep your desk tidy by connecting all your devices with a single cable, and maximize your work efficiency by easily connecting peripherals.

Fully use your desk

With built-in power, workstations can have a streamlined, spacious setup. This improves space utilization and organization, resulting in a cleaner and more efficient work environment.

Switch swiftly

LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Easy and comfy

Ergonomic design improves maintaining proper posture through adjustments tailored to your body, enhances productivity and creates an optimal work environment. It makes such an option an ideal choice for customer service employees as they can maintain eye contact with customers and consult with them naturally by simply lowering the stand.
