With a wide color gamut, we can effortlessly complete media-related tasks and enjoy an enhanced entertainment experience with vivid, true-to-life visuals.

Every Detail Shines Through in UHD

The higher resolution enhances productivity and brings creative work to life with stunning depth and realism.

Color Mode Switching at Your Fingertips

Easily switch between different color display modes to suit your needs, whether for photo rendering, video editing or entertainment. This quick transition ensures optimal visuals and enhances your viewing experience with just a click.

DisplayHDR 400

Experience the benefits of HDR technology, which enhances contrast ranges, elevates brightness levels, and provides exceptional levels of detail.

Type-C DP Alt. with 98W PD

One cable for all and All in one. A Type-C port with DP Alt Mode and 98W Power Delivery supports high-resolution video and fast charging, simplifying connectivity and reducing cable clutter.

KVM -

Productivity Intelligence

The KVM function simplifies your workflow by allowing seamless device switching, reducing desk clutter, and enhancing productivity. It offers an efficient solution for managing multiple devices from one monitor.

PIP/PBP -

Productivity Intelligence

Picture-in-Picture (PIP) and Picture-by-Picture (PBP) features boost productivity. PIP overlays a small window for multitasking, while PBP splits the screen to display different sources side-by-side for easy comparison.

Effortlessly Stand Above The Clouds with Productivity Intelligence (P.I.)

Effortlessly increase your efficiency & enjoy a smart life with the exclusive MSI Productivity
