technology, this display delivers breathtaking visuals, perfect black levels, and incredible responsiveness. With a blazing-fast 500Hz refresh rate and an astonishing 0.03ms GTG response time, screen tearing and motion blur are eliminated, ensuring you maintain the critical edge in fast-paced action.

Unmatched Visual Fidelity and Speed

The ROG Strix XG27AQDPG utilizes the latest Quantum Dot OLED panel, offering superior image longevity and minimal flicker, even during intense frame rate fluctuations. Coupled with NVIDIA G-SYNC compatibility, every gaming session is tear-free and smooth. This monitor provides true 10-bit color depth and covers 99% of the DCI-P3 color gamut, making it ideal for both professional content creation and immersive gaming.

- **Blistering Performance:** 500Hz refresh rate and an ultra-low 0.03ms Grey-to-Grey (GTG) response time.
- **Stunning Clarity:** 2560 x 1440 (QHD) resolution across a 26.5-inch viewable QD-OLED panel.
- **HDR Excellence:** VESA DisplayHDR™ 500 True Black certification ensures deep contrast and vibrant colors.
- **Synchronization:** G-SYNC Compatible technology guarantees fluid, tear-free gameplay.
- **Color Accuracy:** True 10-bit color with 99% DCI-P3 coverage for realistic images.

Enhanced OLED Care Pro Suite

ASUS has equipped the ROG Strix XG27AQDPG with advanced technologies designed to protect the OLED panel against potential burn-in and ensure long-term durability. The integrated custom heatsink efficiently manages heat, while the innovative OLED Care Pro suite introduces the Neo Proximity Sensor. This sensor detects user presence and transitions the screen to black when no user is detected, proactively guarding the screen.

- Custom Heatsink for effective thermal management.
- OLED Anti-Flicker 2.0 technology reduces eye strain.
- Neo Proximity Sensor activates protection when the user steps away.
- DisplayWidget Center for intuitive setting control.

ASUS (ASUSTeK) is a global technology leader renowned for creating high-quality components and innovative consumer electronics, specializing particularly in cutting-edge gaming hardware under

ONE FOR ALL

ROG Strix OLED XG27AQDPG

The ROG Strix OLED XG27AQDPG is a 27-inch, 500Hz QHD gaming monitor. The cutting-edge QD-OLED panel offers greater longevity compared to previous OLED technologies and minimal flicker—even when frame rates fluctuate. With the addition of the Neo Proximity Sensor in the new ROG OLED Care Pro suite, the monitor transitions to a black screen when no user is detected, guarding against burn-in.
