ensuring visuals are crisp and colors are deep across a wide 178° viewing angle. Adaptive Sync support ensures smooth, clear movement with a quick 2ms response time.

Seamless Connectivity and Multitasking Power

Designed for the modern, demanding professional, the XB3294UHSCP-B1 offers superior connectivity solutions that streamline your setup. The integrated USB-C connection not only transmits video signals but also provides up to 95W Power Delivery, allowing you to charge and power compatible laptops using a single cable, significantly reducing desktop clutter.

- **Integrated KVM Switch:** Control multiple computers (e.g., desktop and laptop) connected to the monitor using a single keyboard and mouse set, dramatically improving workflow efficiency and seamless switching.
- **4K Ultra HD VA Panel:** Enjoy superb image quality and high contrast levels for accurate color reproduction and deep blacks.
- **PiP and PbP Modes:** Enhance multitasking by simultaneously viewing content from two separate video sources side-by-side (Picture-by-Picture) or within a small window (Picture-in-Picture).
- **Ergonomic Design:** The height-adjustable stand ensures maximum user comfort throughout the workday, complemented by a sleek, three-side borderless design perfect for seamless multi-monitor configurations.
- **Professional Grade Connectivity:** Includes HDMI, DisplayPort, and a built-in USB hub, along with built-in speakers and a headphone jack for comprehensive multimedia support.

Certified with TCO, TÜV-GS, and EPEAT Silver, the iiyama ProLite XB3294UHSCP-B1 is the smart, sustainable choice for simplifying and powerfully upgrading any professional workspace.

Iiyama is a trusted manufacturer specializing in high-performance monitor technology, known for delivering professional-grade displays that balance exceptional quality with practical features like ergonomic stands and advanced connectivity.

detail, and smoother workflows. Its VA panel with Ultra HD resolution and a 3000:1 contrast ratio delivers crisp, vibrant visuals. A brightness of 350cd/m², 2ms response time, and Adaptive Sync ensure everything stays smooth and clear, whether you're creating content or working with data. USB-C (95W Power Delivery), HDMI, DisplayPort, and a built-in KVM switch make it easy to manage multiple devices while powering your laptop. PiP (Picture-in-Picture) and PbP (Picture-by-Picture) modes let you view content from two sources at the same time for more efficient multitasking. The three side borderless design helps you stay focused and supports seamless multi-monitor setups. The height adjustable stand, built-in speakers, and headphone jack provide comfort and convenience throughout your day. Certified with TCO, TÜV-GS and EPEAT Silver, it's a smart, sustainable choice for any modern workspace.
