The 65PUS7000/12 elevates your viewing experience with superior audio and visual enhancements. Enjoy cinematic quality sound designed by the director, thanks to integrated support for **Dolby Atmos** and **DTS:X**, which creates rich, three-dimensional soundscapes. Visual clarity is maximized through **HDR10+**, offering improved colour depth and contrast, making even the darkest shadows and brightest highlights clearer and more defined.

## Smart Features and Seamless Connectivity

- **Titan OS Smart Platform:** Easily find and access all your favorite streaming apps, sequels, series, and documentaries quickly and intuitively with the dedicated Philips Titan OS operating system.
- **Matter Smart Home Compatibility:** Connect seamlessly to your smart home network. Control your TV via the Matter Smart Home app, or use voice commands through Alexa-enabled devices or Google smart speakers. The TV also supports Apple AirPlay.
- **Vocal Boost:** Never miss a word. This feature allows you to adjust dialogue volume independently of background sound, ensuring every spoken sentence is heard with greater clarity.
- **Game Ready Performance:** Equipped with HDMI 2.1 connectivity and Variable Refresh Rate (VRR) support, this TV delivers smoother graphics and faster, low-input-lag gameplay, automatically activating when you power on your console.
- **Integrated Tuners:** Built-in digital signal format support for DVB-T, DVB-T2, DVB-C, DVB-S, and DVB-S2.

## Sustainable European Design

This Philips TV features thoughtful, sustainable European design, including an almost frameless screen, a sleek edge stand, and a remote control made from recycled plastic. Even the packaging is responsibly sourced, utilizing FSC-certified recycled materials.

**PHILIPS** is a globally renowned brand known for innovation and quality in consumer electronics, dedicated to creating meaningful technology that improves daily life. Order your Philips 65PUS7000/12 today from ++SHOP++ and experience the next level of home entertainment.

## Vivid moments. Sharper scenes.

Zoom in. Lose yourself in the detail. This is precision that goes beyond the imaginable. With a Pixel Precise Ultra HD screen for sharpness and lifelike detail, it fills each moment with breathtaking experiences.

### **Surround yourself in Dolby Atmos and DTS:X**

With Dolby Atmos for sound just as the director intended and DTS:X to create 3D sound experiences, it's as if you're really there. Adding this extra dimension to sound brings a more immersive experience to your home.

### **Titan OS. Find it easily.**

The Philips Smart TV Titan OS platform brings what you love to watch, and fast. From sequels to series and documentaries to drama, everything you want is there at the touch of a button. Whatever you're looking to watch, keep all the best streaming apps easily within your reach.

### **Connect seamlessly to smart home networks**

Matter Smart Home compatibility means you can control your TV via the Matter Smart Home app or voice control your TV via Alexa-enabled devices or via your Google smart speakers. This way, your voice can find films, shows, receive recommendations and so much more. The TV is compatible with Alexa-enabled devices and Apple AirPlay too.

### **Every size to fit your needs**

Go big. Go small. Go for a television that blends in perfectly with your needs. From small-screen 43" right up to a gargantuan 75" TV, size up the incredible 7000 Series for the smarter choice in TV.

### **Colour and contrast unleashed with HDR10+**

Expect more detail. Frame by frame improved picture quality. With greater emphasis on colour and contrast, this is where even the darkest moments and the brightest scenes are made clearer.

### **Add clarity to each word with Vocal Boost**

Hear each word clearly. Vocal Boost enables the listener to turn the dialogue volume up or down without any effect on the background sound. You won't miss a single moment now that each spoken sentence comes across with greater clarity.

HDMI 2.1 and VRR help you get the best from your console with faster gameplay and smoother graphics. With its low-input-lag setting that cuts in automatically when you turn on your console, you're all set for the next level in gaming.

### **European design, sustainable thinking**

With carefully considered design comes an almost frameless screen, an edge stand and a remote made from recycled plastic. Quick, easy-to-find content thanks to Titan OS. Each tiny detail is carefully considered, right down to the recycled FSC-certified packaging and guide that comes with it.
