Ultimate Speed and Clarity

This ROG Strix monitor features a stunning Fast IPS panel, ensuring vibrant colors and excellent viewing angles without sacrificing speed. Critical for fast-paced action games, the panel boasts an incredible 260Hz overclocked refresh rate (260Hz OC). This ultra-high refresh rate virtually eliminates motion blur and stuttering, allowing you to track enemies and react instantaneously.

Superior Gaming Features

The combination of QHD resolution on a 27-inch display provides the perfect balance between pixel density and gaming performance, offering sharp details and immersive visuals. Whether you are navigating complex environments or engaging in intense firefights, the high clarity and responsiveness ensure you always have the competitive edge.

Key Specifications:

- Screen Size: 27 inches, providing expansive QHD visuals.
- Resolution: QHD (2560x1440) for detailed, sharp images.
- Panel Type: Fast IPS technology ensures brilliant colors and lightning-fast response times.
- Refresh Rate: Up to 260Hz Overclocked (OC) for tear-free, ultra-smooth gaming.
