The Logitech MX Keys Combo for Business is a premium performance suite designed for professionals who demand precision, speed, and comfort. This set includes an advanced wireless keyboard, the high-performance MX Master 3S mouse, and a supportive memory foam palm rest. Engineered for analysts, creators, and coders, this combo provides the tools needed to master complex workflows with ease.

The keyboard features PerfectStroke keys that are spherically dished to match the shape of your fingertips, providing a fluid and tactile typing experience. Smart backlighting automatically adjusts to ambient lighting conditions and turns on when your hands approach. Complementing the keyboard is the mouse featuring a MagSpeed Electromagnetic scroll wheel, allowing you to scroll through 1,000 lines in a second with near-silent precision.

Key Features:

- **Advanced Wireless Connectivity:** Connect via Bluetooth Low Energy or the secure Logi Bolt USB receiver for a robust connection even in congested wireless environments.
- **Precision Tracking:** The optical mouse offers real-time sensitivity switching from 200 to 8000 DPI, working perfectly on almost any surface, including glass.
- **Multi-Device Workflow:** Use Easy-Switch technology to pair with up to three devices and switch between them at the touch of a button.
- **Ergonomic Design:** Includes a premium memory foam palm rest to keep hands in a relaxed position for long-term comfort.
- **Smart Illumination:** Backlit keys adjust to the environment and save battery by dimming when not in use.
- **Rechargeable Power:** Stay powered with USB-C quick charging that supports long-lasting usage between charges.

Logitech is a world leader in personal peripherals, driving innovation in PC navigation, gaming, and communication. Known for their reliability and ergonomic excellence, Logitech products are designed to enhance the way people connect and interact with the digital world.
