- **USB-C Docking Station:** Simplifies workspace by connecting your notebook with a single cable for signal, power, and charging.
- **RJ45 (LAN) Connectivity:** Automatically connects your notebook to the network when the monitor is connected to the internet via a LAN cable.
- **DisplayPort Output:** Easily extend your desktop by creating a dual-monitor setup.
- **IPS Panel:** Delivers rich and accurate colors with wide viewing angles.
- **QHD Resolution:** Provides excellent performance for photographic and web design with high contrast and brightness values.
- **Ergonomic Stand:** Offers a 150mm height adjustment, tilt, and swivel mechanisms for comfortable use, including portrait mode.

The IPS panel ensures rich and accurate colors with wide viewing angles, making it perfect for color-sensitive applications. The QHD resolution, combined with high contrast and brightness, ensures excellent performance for tasks such as photographic and web design. The ergonomic stand provides a height adjustment of 150mm, and with tilt and swivel, you can easily switch the monitor to portrait mode for added comfort when working on large data sheets.

iiyama is a leading display manufacturer, renowned for its high-quality monitors that combine cutting-edge technology with ergonomic design.

Order today from ++SHOP++ as we offer the best service.

Equipped with a USB-C dock connector, the XUB2797QSN allows you to simplify your workspace by using a single cable to both send signal (audio, video and touch) from your notebook to your monitor whilst providing power and charge to the notebook. Additionally, if your monitor is connected to the Internet with a LAN cable, your notebook will automatically be connected to the network as well. Thanks to a DisplayPort output you can easily extend your desktop by creating a double-monitor setup. The IPS panel assures rich and accurate colours with wide viewing angles. QHD resolution, high contrast and brightness values mean the monitor provides excellent performance for photographic and web design. The ergonomic stand offers a height adjustment of 150mm and with the tilt and swivel mechanisms you can easily turn the monitor into portrait mode for more comfort while working on large data sheets. Available also without USB-C dock: XUB2797QSU-W2 .
