Superior Performance and Visuals

The AW3225DM utilizes advanced VA (Vertical Alignment) panel technology, offering a superb 3000:1 contrast ratio, ensuring deep blacks and brilliant whites. With a peak brightness of 400 cd/m², your games look vibrant and true-to-life. The curved screen design enhances immersion, wrapping your field of view for a more engaging experience.

- **Display Size and Resolution:** Expansive 31.5-inch (80 cm) screen with sharp 2560 x 1440 Wide Quad HD resolution.
- **High Refresh Rate:** Experience ultra-fluid motion thanks to the 180Hz refresh rate, minimizing stutter and motion blur.
- **Fast Response Time:** Quick 4 ms GtG response time ensures rapid pixel changes for competitive play.
- **Wide Viewing Angles:** Maintain consistent image quality from almost any perspective with 178° horizontal and vertical viewing angles.
- **Vivid Color Depth:** Supports 1.07 billion colors, providing excellent color fidelity for both gaming and media consumption.

Ergonomics and Connectivity

Designed for prolonged gaming sessions, this Alienware monitor features extensive ergonomic options. Adjust the height and tilt to find your perfect viewing position. The inclusion of a built-in USB hub ensures easy connectivity for peripherals and simplified cable management, complemented by VESA mounting compatibility.

DELL, through its premium gaming brand Alienware, is globally renowned for producing high-end, innovative, and powerful computer hardware tailored specifically for the demands of competitive gamers and enthusiasts. They stand for uncompromising quality and cutting-edge design.

Order today from ++SHOP++ as we offer the best deals and reliable customer service for premium gaming hardware.

Bring the action to life on a curved 32" QHD gaming monitor featuring vivid colors and smooth visuals.
