Clear HD Picture Quality

Enjoy clear, defined images with HD Ready resolution (1366 x 768). This LED television utilizes Philips' proprietary Pixel Plus picture sharpness technology, ensuring that every little detail is visible and colors are vibrant, providing a better view compared to standard definition screens.

Immersive Dolby Audio

Experience clear, balanced sound thanks to integrated Dolby Audio processing. Whether you are watching a movie, listening to music, or catching up on the news, the audio performance is crystal clear, enhancing dialogue and ensuring you hear every moment.

Key Features and Connectivity

- **Compact 32-Inch LED Screen:** Ideal size for smaller rooms, secondary viewing areas, or portable use.
- **Pixel Plus:** Advanced picture processing engine for improved sharpness, detail definition, and optimized contrast.
- **Multi-Standard Tuner:** Integrated DVB-T/T2/C/S/S2 tuners allow access to a wide range of free-to-air and subscription digital channels, including DVB-T2 HD standard.
- **Versatile Connectivity:** Includes 2 HDMI ports for connecting consoles or media players, and 1 USB port for multimedia playback.
- **Modern, Borderless Design:** The sleek frame and defined stand ensure the TV blends seamlessly into any interior space.
