total privacy in an instant. The built-in manual webcam shutter ensures no unwelcome camera access—just simple, powerful control at your fingertips. Because your privacy isn't optional—it's yours to own.

Green Tech, Zero Compromise

Embrace eco-friendly technology with our innovative IMR (In-Mold Rolling) film, minimizing waste and energy use. Our display back cover contains 30% recycled content, reducing landfill waste. We've reimagined packaging using recycled materials to lessen the environmental impact—experience top performance with a cleaner conscience.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
