Features:

- **Sleek and Tough Design:** Light aluminum frame, Corning® Gorilla® Glass Victus® 2, and IP68 rating for moisture and dust resistance.
- **Personalized Briefings:** Stay informed with Now Brief, providing personalized updates on your day, energy score, and schedule.
- **Advanced Audio Control:** Remove background noise from videos with Audio Eraser, fine-tuning sound for share-worthy content.
- **Health and Wellness Tracking:** Monitor your Energy Score by syncing with Galaxy Watch or Ring for personalized insights on sleep, activity, and heart rate.
- **Enhanced Data Security:** The Personal Data Engine encrypts and secures your personal data with Knox Vault, ensuring privacy and security across your Galaxy devices.
- **Stunning Nightography:** Capture clearer videos in low light with improved 10-bit HDR and precise noise removal technology.
- **Epic Portraits:** The Object-aware Engine adapts to lighting, capturing skin tones and textures with incredible accuracy.
- **Personalized Filters:** Create custom filters from your favorite photos using Galaxy AI to match your unique style.
- **Effortless Highlight Reels:** Automatically create reels with Auto Trim, using AI to detect key moments in your videos.
- **Powerful Processor:** Equipped with Snapdragon® 8 Elite Mobile Platform for Galaxy, enjoy ultra-smooth gameplay and improved real-time ray tracing.
- **Vivid Display:** Experience high-definition viewing with ProScaler, enhancing image quality using AI-algorithm processing.
- **Extended Battery Life:** Optimized battery usage with mDNle technology for hours of video playback.
- **Intuitive User Interface:** The all-new One UI 7 offers customizable layouts, widgets, and live notifications for an enhanced user experience.

Samsung is a global leader in technology, known for its innovative smartphones, electronics, and home appliances. With a commitment to quality and cutting-edge features, Samsung continues to push the boundaries of what's possible.

Simple. Impactful

Meet Galaxy S25 and S25+. A sleek, premium design wrapped in a strong aluminium frame with an immersive screen, sophisticated camera and now slimmed down for a more comfortable grip.

Looks sleek, built tough

Wrapped in a light aluminium frame, strengthened with Corning® Gorilla® Glass Victus® 2 display glass and rated with IP68 for moisture and dust resistance, Galaxy S25 and S25+ are designed to be taken virtually anywhere.

Personalised briefings for your day

Get personalised briefings throughout the day from the all-new Now Brief. Start your morning with a run-down of the day ahead, such as checking your latest Energy Score and reminders of a busy schedule. Then, recap on the day's events in the evening with daily activity insights.

A sound studio at your fingertips

Easily get rid of unwanted background noise from your videos and make them share-worthy with Audio Eraser. Fine-tune your audio by adjusting different types of sound including voices, music, wind and more.

The future of health, now made personal

Keep up with your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring and receive personalised insights and coaching such as an analysis of your sleep, activity and heart rate.

Personal data stays personal

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else. You can even monitor the security of other Galaxy devices right from your Galaxy smartphone.

Unrivaled Nightography video. Less noise, more clarity

Now you can shoot in improved 10-bit HDR for a more stunning videography experience. Our advanced AP also delivers more precise noise removal meaning you won't have to worry about grainy night footage again.

Epic portraits, every single time

We see you. And so does our camera with enhanced Object-aware Engine that can adapt to various lighting environments. Capture skin tones and textures exactly as your eyes see them.

Filters just for you

Bring your pics to life with your own personalised filters. Galaxy AI will analyse your favourite photo and create a filter that captures the scene. Use it instantly or customise further to suit your mood with tweaks to the saturation, brightness and more.

Highlight reels made easy

Effortlessly create reels by collating your videos and simply hitting Auto Trim. AI will detect the key activity and trim them into highlight-ready clips that you can easily modify to your desired length.

The most powerful processor customised for Galaxy

Introducing our most powerful processor, customised for Galaxy. With improved real-time ray tracing and Vulkan optimisation, dive deep into the action with ultra-smooth gameplay thanks to Snapdragon® 8 Elite Mobile Platform for Galaxy.

Clearer, more vivid viewing by ProScaler

Display image quality is even more stunning with our built-in ProScaler. AI-algorithm processing is used to deliver a viewing experience in high definition without having to adjust the display settings.

Unparalleled battery life

Thanks to our pioneering mDNIe technology built into our custom-made AP and software optimisation, Galaxy S25+'s battery usage time is enhanced for you to enjoy hours of watching videos.

All new One UI 7, built for AI

Get access to your Now Brief alerts, music and more from the Now Bar. The new home screen is all yours with highly-customisable layouts and new widgets. Live notifications let you monitor on-going activities such as voice recordings on the Now Bar, status bar or at the top of your notification panel.
