## Vivid Visuals in a Portable Format

Enjoy stunning image clarity on the go with a Full HD (1920 x 1080) display that delivers crisp detail and vibrant colours. The screen supports 16.7 million colours and HDR for richer contrast, deeper blacks, and more lifelike images—whether you're streaming content or working on visual projects. In-Plane Switching (IPS) technology ensures consistent brightness and colour accuracy from virtually any angle, making it ideal for collaborative work, presentations, or solo use in any environment.

## Lightweight Design with Built-In Convenience

This monitor is built for life on the move. Its lightweight housing makes it easy to carry in a backpack or laptop bag, perfect for commuting, remote work, or travel. The multi-touch display offers intuitive, responsive interaction for scrolling, swiping, and zooming with ease. An integrated speaker provides

audio without the need for extra gear, giving you a streamlined, all-in-one solution for work, video calls, or casual entertainment wherever you are.

## **Wireless Power, Wherever You Go**

No wall socket? No problem. This monitor comes with a 5000mAh power bank that magnetically attaches to the back, delivering stable wireless power when you're on the move. It's ideal for use with smartphones or gaming consoles via USB-C, which often can't supply enough power on their own. And when connected via HDMI—where no power is transferred—the power bank keeps the monitor running smoothly. Whether you're working remotely or travelling light, you're always ready to go.

Verbatim 32088. Bildschirmdiagonale: 35,6 cm (14"), Bildschirmtechnologie: LED, Display-Auflösung: 1920 x 1080 Pixel. RMS-Leistung: 1 W.
