IIYAMA ProLite X2793QSU-B1 27-inch QHD IPS Monitor

The IIYAMA ProLite X2793QSU-B1 is a 27-inch monitor designed to boost your productivity, helping you stay focused and efficient. Its QHD (2560x1440) screen provides ample workspace, allowing for side-by-side document viewing, detailed editing, and simultaneous application use, all with sharp clarity. The IPS panel ensures vivid colors and consistent image clarity from any viewing angle. Flicker-free technology and a blue light reducer enhance viewing comfort, especially during long work sessions. The four-side ultra bezel design adds a modern touch to your desk and is perfect for seamless multi-monitor setups. Built-in speakers, a two-port USB hub, HDMI and DisplayPort inputs, and a headphone socket help minimize cable clutter while keeping you connected to essential

Designed to support your productivity, the ProLite X2793QSU helps you stay focused and efficient throughout the day. The 27" QHD (2560×1440) screen gives you more space to work with, allowing you to view documents side by side, edit with precision or keep multiple applications open at once, all in sharp detail. The IPS panel delivers vivid colours and consistent clarity from any viewing angle. Flicker-free technology and a blue light reducer enhance visual comfort, especially during extended periods of use. The four-side ultra bezel design creates a clean and modern look on your desk and is ideal for seamless multi-monitor configurations. Built-in speakers, a two-port USB hub, HDMI and DisplayPort inputs, and a headphone socket help reduce cable clutter while keeping you connected to essential devices. With EPEAT registration and TCO Certified compliance, the X2793QSU supports both responsible energy use and reliable everyday performance.
