Unlike traditional office chairs, this standing stool encourages dynamic movement. Its versatile design allows for full 360° rotation and gentle rocking, ensuring you stay active and focused throughout the day. You can rock back and forth, perform light exercises, or simply relieve your legs after standing for extended periods. The integrated foam seat provides necessary comfort and stable support.

Key Features and Specifications:

- **Ergonomic Design:** Supports active sitting and enables an easy transition to a relieved standing posture.
- **Wide Height Adjustment (63 cm to 88 cm):** Easily customized via a press button to match the user's height or the height of a standing desk.
- **Effortless Adjustment:** Height changes are managed swiftly, supported by a reliable integrated gas pressure spring.
- **360° Rotation:** Offers complete freedom of movement and accessibility in the workspace.
- **Durable Construction:** Made from supportive foam material in a sleek black finish.
- **Seat Dimensions:** 33 cm Depth, 33 cm Width.
- **Total Weight:** 13 kg.

ASSMANN ELECTRONIC, through its DIGITUS brand, specializes in reliable and technologically advanced solutions for IT and connectivity. Their focus on ergonomic accessories ensures maximum productivity and comfort in modern office environments.

Order today from ++SHOP++ as we offer the best selection of ergonomic office furniture.

Standing or sitting? Combine the two easily with the ergonomic office stool from DIGITUS. This height-adjustable stool combines regular standing with relief for your legs. In addition, you also remain moving while seated because the chair is versatile. It can be rotated by 360° and the height can be adjusted from 63 to 88 cm to adapt optimally to the user's height or preferred application. Height adjustment is carried out by pressing a button, the integrated gas pressure spring supports you in the process. You can rock back and forth, do exercises or relieve your legs after standing for long periods of time. The height-adjustable standing and sitting chair makes it possible. Stay moving
