Make a statement wherever you go with the Lenovo IdeaPad Slim 3 Gen 8 laptop. Built for lightness and thinness, it's up to 10% slimmer than the previous generation. Available in Arctic Grey, Abyss Blue, and Frost Blue, this sturdy build stands up to harsh conditions with military-grade durability, perfect for extreme travel.

Features:

- **Immersive Visuals:** Enjoy a rich media experience on the IdeaPad Slim 3 with a screen that takes up 88% of the display's surface area, creating a near borderless picture.
- **Eye Comfort:** The display is TÜV Low Blue Light Certified, reducing eye fatigue during long work sessions.
- **Enhanced Audio:** Treat yourself to the amazing sound of Dolby Audio™.
- **Multitasking Master:** Work smart and seamlessly across multiple applications simultaneously with the robust performance of the latest AMD processors and abundant memory, enhanced by the adaptive performance of Smart Power.
- **Ample Storage:** Store and quickly access your massive media library with plentiful SSD storage.
- **Versatile Connectivity:** Full-function USB-C ports enable accelerated power delivery, display output, and data transfer.
- **Enhanced Security:** Optional 2-in-1 fingerprint reader integrated with the power button, and a built-in webcam with a privacy shutter.
- **Long-Lasting Battery:** Keep pace with a larger battery and rapid-charging technology that provides two hours of use on a 15-minute charge.
- **AI-Powered Enhancements:** Smarter learning starts with smarter features powered by the Lenovo AI Engine. Maximize your performance, battery life, and thermals based on your activity with the adaptive Smart Power feature.
- **Smart Wireless:** Improves connectivity via Smart Wireless.
- **Integrated Security:** Protect your system with integrated security features such as Natural File Guard, while noise canceling keeps background noise to a minimum.

Lenovo is a global technology leader renowned for its innovative and reliable products, offering a wide range of solutions designed to enhance productivity and connectivity.

A smart & reliable travel partner

Make a statement wherever you go with the IdeaPad Slim 3 Gen 8 laptop, built for lightness and thinness, measuring up to 10% slimmer than the previous generation. Available in Arctic Grey, Abyss Blue, and Frost Blue, this sturdy build stands up to harsh drops with military-grade durability for extreme travel conditions.

See & learn more

Enjoy a rich media experience on the IdeaPad Slim 3 Gen 8 laptop with its screen that takes up 88% of the display's surface area for a picture that looks like it's floating in space. Plus, the display is TÜV Low Blue Light Certified, so if you need to work for a few hours, your eyes won't get fatigued easily. And as you enjoy the visuals, you can also treat yourself to the amazing sound of Dolby Audio™.

A multitasking master

Work smart and seamlessly every day across multiple applications simultaneously while on the go with the robust performance of the latest AMD processors and abundant memory, enhanced by the adaptive performance of Smart Power. Store and quickly access your massive media library with plentiful SSD storage also.

Peak versatility

Go faster and farther in your digital life with full-function USB-C ports for accelerated power delivery, display output, and data transfer. Enjoy an optional 2-in-1 fingerprint reader integrated with the power button, and a built-in webcam with a privacy shutter. Keep pace with a larger battery and rapid-charging technology that provides two hours of use on a 15-minute charge.

AI that improves your experience

Smarter learning starts with smarter features powered by the Lenovo AI Engine. Maximize your performance, battery life, and thermals based on what you're doing with the adaptive Smart Power feature. At the same time, you improve your connectivity via Smart Wireless. Protect your system

from harm with integrated security features such as Natural File Guard while you keep background
