resolution. This advanced LED-backlit IPS display ensures exceptional colour accuracy and wide viewing angles (178°/178°), making it perfect for detail-oriented tasks like graphic design, video editing, and complex spreadsheets. With HDR10 support, the monitor delivers superior contrast and dynamic range, bringing vivid colours and deep blacks to your content.

Enhanced Visual Performance and Accuracy

Experience smoother motion and greater responsiveness with a 100 Hz refresh rate combined with a fast 5 ms response time. The ViewFinity S6 guarantees colour fidelity crucial for professional workflows, covering 99% of the sRGB colour gamut and displaying 1.07 billion colours. TUV Rheinland Intelligent Eye Care certification helps reduce eye strain during long working sessions.

- Display Diagonal: 32 inches (81.3 cm)
- Native Resolution: QHD 2560 x 1440 at 100 Hz
- Panel Type: IPS technology for wide viewing angles
- Colour Accuracy: 99% sRGB coverage
- High Dynamic Range: HDR10 capable
- Brightness and Contrast: 350 cd/m² brightness, 1000:1 contrast ratio

The Ultimate Connectivity Hub: USB-C and KVM

Transform your desk setup into an efficient powerhouse using the integrated connectivity features of the S32D600U. The powerful USB-C port provides 90 Watts of Power Delivery (PD), allowing you to charge your laptop or devices while simultaneously transmitting display signal and data through a single cable. The built-in KVM switch allows you to control multiple computers using a single keyboard and mouse setup, significantly boosting multitasking efficiency. Furthermore, the monitor includes an integrated Ethernet network adapter and supports daisy-chaining via DisplayPort, simplifying cable management and expanding your workspace.

- USB-C Connectivity: 90W Power Delivery (PD) for simultaneous charging and data transfer
- KVM Switch: Control two different PCs with one set of peripherals (Keyboard, Video, Mouse)
- Network Adapter: Integrated Ethernet (LAN) port for stable connection
- Input Ports: HDMI, DisplayPort (DP), and USB-C
- USB Hub: Built-in USB 3.0/USB-C hub
