Modelis: 37599-999-899

Gamintojas: GN NETCOM

EAN: 5706991035094

Prekės kodas: 455409

# 308.99€

The Jabra Evolve3 75 MS headset is designed for professionals who prioritize sound quality and comfort during long hours of communication. Featuring adaptive hybrid Active Noise Canceling technology, this headset provides an immersive audio experience by effectively minimizing background noise. With a frequency response range of 10 - 20,000 Hz for the microphone and 20 - 20,000 Hz for audio output, the headset ensures clear voice and sound clarity, making it suitable for calls, meetings, and multimedia use. Connectivity is easy with Bluetooth 5.3 technology, allowing connection to two devices simultaneously. The foldable design adds portability, while the built-in busy light LED indicator helps manage interruptions. Features like Jabra Direct, Google Fast Pair, and on-head detection enhance user experience by providing convenient features and ease of use. The built-in rechargeable battery ensures reliable performance, providing substantial run time even with short charging periods.
